No. 1161048

CERTIFICATE OF REGISTRATION OF TRADE MARK

I, **Fatima Beattie**, Registrar of Trade Marks hereby certify -

that the trade mark represented on this certificate has been registered as a Trade Mark, No. 1161048 in the Register of Trade Marks for a period of ten years commencing **14 February 2007** and that **Warenzeichenverband VEM e.V** of **Pirnaer Landstrasse 176 DRESDEN D-01257 GERMANY** has been entered in the Register of Trade Marks as the owner of the trade mark.

The trade mark is registered for the following goods and/or services:

Electric motors and generators technically suitable to convert electrical into mechanical energy and vice versa, including the necessary excitation and control systems; electric motors and generators for materials handling equipment, including sensor, control and switching equipment; electric auxiliary and main drives for vehicles, including sensor, control and switching equipment; electric auxiliary and main drives for mobile equipment using sensor, control and switching equipment; motor-generator sets for use of alternative energies; electric drives for machining and processing machines, including switching and control systems; electric drives and generator equipment for energy converters and storage systems, including the appropriate excitation systems; electro-magnetic operative systems for the limitation of mechanical vibrations; electro-magnetic operative systems for generating purposes involving supply to the vehicle electrical system and motor operation at standstill and during acceleration phases being goods in class 7

Actuators and controllers for reference variables of electric-motor drives, arranged separately or included in a compact unit and involving sensor equipment for the physical quantities used technically, control gear, coupling and braking systems acting in a mechanical, electrical, pneumatic or hydraulic manner with regard to power transmission and switching technology; electric drives and devices for control and operation of air conditioning equipment, ventilation systems, hydro-technological supply and distribution equipment, compressor, vacuum and refrigeration equipment, including the appertaining control and measuring equipment being goods in class 9

THE SCHEDULE

*Given under my hand and the seal of the
Trade Marks Office on 18 July 2008*
