Numéro de dossier - File number	1600058

AVIS D'APPROBATION

La présente est pour vous aviser que, conformément aux dispositions de l'article 37 de la *Loi sur les marques de commerce*, cette demande est prévue pour publication au *Journal des marques de commerce* en temps opportun.

Une feuille de vérification contenant l'information qui paraîtra dans le *Journal des marques de commerce* conformément à l'article 16 du *Règlement sur les marques de commerce* est jointe à titre de révision. Si vous trouvez des erreurs ou inconsistances, veuillez communiquer avec l'examineur identifié ci-dessous avant le 7 octobre 2014. Si aucune correspondance n'est reçue à la date mentionnée, les détails de la demande, tels qu'ils apparaissent sur la feuille de vérification ci-jointe, seront publiés dans le *Journal des marques de commerce*.

ATTENTION : Si vous recevez une facture concernant la présente demande en provenance d'une entité autre que l'Office de la Propriété Intellectuelle du Canada, Industrie Canada, ou votre agent de marques de commerce, veuillez contacter soit le centre de services à la clientèle au 1-866-997-1936 (ou 819-934-0554 pour les appels internationaux) ou votre agent de marques de commerce avant de répondre. Le Bureau est au courant des sollicitations de la part des compagnies du secteur privé relativement à des demandes canadiennes d'enregistrement de marques de commerce.

APPROVAL NOTICE

This is to inform you that, pursuant to section 37 of the *Trade-marks Act*, this application is scheduled to be advertised in the *Trade-marks Journal* in due course.

A proof sheet containing the information that will appear in the *Trade-marks Journal* pursuant to Section 16 of the *Trade-marks Regulations* is attached for your review. Should you find errors or discrepancies, please inform the examiner identified below before October 7, 2014. If no correspondence is received by that date, the particulars of the application, as shown in the attached proof sheet, will be published in the *Trade-marks Journal*.

PLEASE NOTE: If you receive an invoice concerning this application from anyone other than the Canadian Intellectual Property Office, Industry Canada, or your trade-mark agent, please contact either the client service centre at 1-866-997-1936 (or 819-934-0554 for international calls) or your trade-mark agent prior to responding. The Office has been made aware of several incidents of what appear to be fee solicitations from private sector companies with respect to Canadian trade-mark applications.

TRADE-MARK/MARQUE DE COMMERCE:

MARK DESCRIPTIVE REFERENCE/RÉFÉRENCE DESCRIPTIVE DE LA MARQUE:

VEM & Design

WARES/MARCHANDISES:

Electric motors and generators for materials handling equipment, including sensor, control and switching equipment;
electric motors and drive mechanisms for vehicles including sensors, control and switching equipment; electric motors

and drive mechanisms for mobile equipment including sensor, control and switching equipment; motors and generators for use with wind power and hydroelectric power; electric motors for control and operation of air conditioning equipment, ventilation systems, hydro-technological supply and distribution equipment, compressor, vacuum and refrigeration equipment control and measuring equipment for air conditioning equipment, ventilation systems, hydro-technological supply and distribution equipment, compressor, vacuum and refrigeration equipment; electric motors and drive mechanisms for machining and processing machines, including switching and control systems; electric motors and drive mechanisms and generator equipment for energy conversion and energy storage systems; electro-magnetic operative systems for the limitation of mechanical vibrations; electro-magnetic systems for generating purposes used in an vehicle electrical system and used with motor operation at standstill and during acceleration; Actuators and controllers for electric-motor drives, sensor equipment, control gear, coupling and braking systems for power transmission and switching technology.

SERVICES:

Installation, assembly, erection, repair and servicing of electrical engineering products, namely electric motors, generators and the appertaining sensor, control and switching equipment; services of an engineer, namely services in the field of electrical engineering and construction of electric machines such as consulting, planning, experts reports, trials, approval inspections, inspection and testing services, commissioning of equipment and systems, preparation of product, process and design documentation and instruction manuals, generation of data processing programmes.

CLAIMS/REVENDECATIONS:

Used in CANADA since February 15, 1979 on wares and on services.

Used in OHIM (EU) on wares and on services.

Registered in or for OHIM (EU) on April 14, 2000 under No. 000792325 on wares and on services.
